£1,500

Specialising in informal, creative wedding photography. Located in the North West, available for national and international weddings.

Your photography begins with reportage coverage of the bridal preparations (if required).

All day coverage with no image limit, including bespoke bride and groom portraits and group shots (if required).

Photography usually ends once you hit the dance floor in the evening.

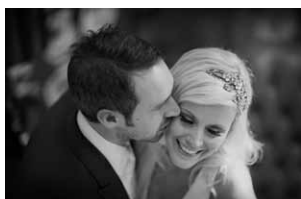

All images are processed, retouched and presented as digital files for you to print, along with your own personal online gallery.

Pre-wedding Shoot

A relaxed photo-shoot taken on location lasting up to 2 hours. A great way to practise for your wedding day.

All images will be provided on a CD.

£250
